How Do I...Change My Address with USCIS?

U.S. Citizenship
and Immigration
Services

M-612 (12/05)

If you are 14 years of age or older, you are required by law to notify us of your change of address within 10 days of moving to your new address. To notify us of your change of address, you must file a **Form AR-11, Change of Address Form**.

The Form AR-11 does not update your change of address on any applications or petitions you have pending with USCIS. If you have petitions or applications pending with us, it is also necessary for you to inform us of your new address in order to be sure to get any notices or documents we may send you.

Please call customer service to find out the best way to change your address on any pending case.
